Employer Vantage is the leading source for comprehensive employer health plan insights. Employer Vantage provides insights about the employer, health insurers, pharmacy benefit offerings, funding type (fully or self-insured), and geography.

Table of Contents

Tab	Description	Questions Answered
Summary View	This page includes a table of consolidated employer information, including number of employees by state and MSA, contracted health plans, contracted PBMs, and funding types of contracted	Which health plans are contracting with an employer? Which PBMs are contracting with an employer? How many lives does an employer cover, by MSA, state, or nationally?
	ding	What are all of the corporate subsidiaries for a company? How many people are employed by a company, and where?
th	th	What health benefit plans does a company offer to its employees? Which employer benefit plans are fully or self-funded?
ing	ing	What are the employers contracted with a health plan? Which health plans contracted with an employer on a fully-insured basis? How much do self-insured employers pay health plans in administration fees?

Glossary

Fields	Definitions
Local Employees	Represents the number of employees within the selected geography (State, City, MSA, etc)
Employer Lives	A calculated field that represents the estimated number of employees who are using the benefit and their dependents based on industry-based dependent multipliers
Carrier Market Share in State	State-level market share identified by dividing a payer's statewide commercial enrolment by total commercial enrollment across all payers This may be used as a "likelihood score" when estimating how many of an employer's lives in a state are enrolled with a carrier.
Active Employees (EOY)	The actual number of participating members in a benefit program as of the end of the previous year.
