

Cortellis Deals Intelligence

Negotiate your best possible deal

Benefit from the industry's highest quality and largest deals database

Effective dealmaking is crucial for company growth, getting drugs/devices to market and overall commercial success. Cortellis Deals Intelligence provides the essential data foundation to quickly find the most optimal deal without compromising due diligence, combining:

The largest and highest quality deals database

Insights on true deal structures

Custom analytics based on your specific search criteria

Enhanced visualizations for fast evaluation and comparison

Get a complete picture of available assets and identify partners earlier

Cortellis Deals Intelligence is a powerful tool on its own, but when used in conjunction with Cortellis Competitive Intelligence, you'll gain an even stronger competitive edge by combining insights on deals with extensive pipeline, company and patent information.

Robust data

95K+
deals

34K+
contracts (9K+ unredacted)

177K+
