

Case study | Parexel

Understanding the local regulatory environment

Parexel, a leading CRO, needed to understand and comply with myriad regulations required around the world.

Parexel experienced difficulties understanding the practical requirements needed for each local market, so it turned to Cortellis Regulatory Intelligence™ for help using key features:

- **Global Regulatory Comparison tables** - continuously updated and linked to regulatory source documents.
- **Regulatory country summaries** - 80 countries for drugs biologics and 74 countries for medical devices & IVDs.
- **Source documents** from national authorities and organizations, such as FDA483s, approval documents, inspection reports, and submission forms – updated daily.

"Cortellis is very useful in my daily work."

Radha Singh, Regulatory Professional, Parexel International Corporation

Cortellis Regulatory Intelligence has improved Parexel's regulatory compliance in the following ways:

Has saved **5+ hours per week** due to increased productivity

Better understanding the local regulatory environment in all countries where they do business

Helping plan strategies across countries more efficiently

Anticipating regulatory obstacles

This case study is based on a May 2019 survey of Cortellis Regulatory Intelligence customers by a third-party research service.
