

Cortellis Competitive Intelligence

Visualize your competitive landscape

What is the Competitive Landscape Viewer?

A powerful and intuitive tool that allows you to quickly visualize where drugs are in development, who is working in this space and in what indications, actions and technologies.

1. Access from the homepage by opening the Competitive Intelligence panel and clicking in the Analysis tab

2. Enter your term, click Look up, then select the term to quickly view the competitive landscape for your area of interest

- Use Filters to refine your search and answer specific questions
- Click the Total Active Drugs number or Total Companies number to link to reports of interest for details

3. Easily view our consensus sales and forecasts data with each search

- Select up to 10 drugs to display on the chart
- Click to view all drugs with Sales and Forecasts data or click individual drugs to the right of the chart

4. Scroll down the page to understand the related patents, deals and clinical trials (based on your subscription) for your selected results to get the full picture.

5. **Download** individual charts or the complete landscape into PDF or PowerPoint

- Click **Save** to ensure your dashboard is saved and updated upon your next Cortellis login
