

Cortellis Deals Intelligence

Find deals done by certain types of organizations

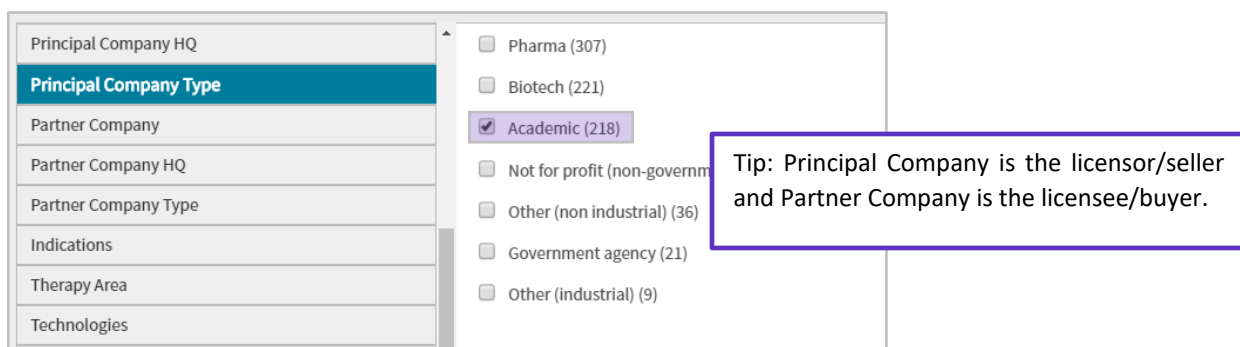

Quickly and easily find deals done by certain types of organizations with Cortellis filters.

1. Run your search. Switch to **Deals** and click a **Filters** link.

The screenshot shows the 'Report Type' dropdown menu with 'Deals (2595)' selected. To the right, the 'Deal Start Date' filter is set to '24-Mar-2020' and the 'Agreement Type' filter is set to 'Drug - Early Research/Development'. Both filter panels show 'Filters: [0]'.

2. Select the **Principal Company Type** or **Partner Company Type** filter. Select the type of interest, such as **Academic**.

The screenshot shows the 'Principal Company Type' filter dropdown menu with 'Academic (218)' selected. A tip box states: "Tip: Principal Company is the licensor/seller and Partner Company is the licensee/buyer."

3. The company type is also specified on the search results page.

Deal Title	Principal Company	Partner Company
NIH to award UCLA funding to develop NKTR-214 in combination with adoptive cell therapy for advanced melanoma	University of California Los Angeles (Academic)	National Institutes of Health (Government agency)
