## Retrieve a document by its IDRAC number

Quickly retrieve a regulatory document of interest by its IDRAC number, a unique ID number assigned by Cortellis to all regulatory documents and reports for fast retrieval.

1. Enter the IDRAC number in the **Regulatory Homepage Search box**. Please note the search will be run in the category selected (All documents, Regulatory Summaries, Source Documents etc.).

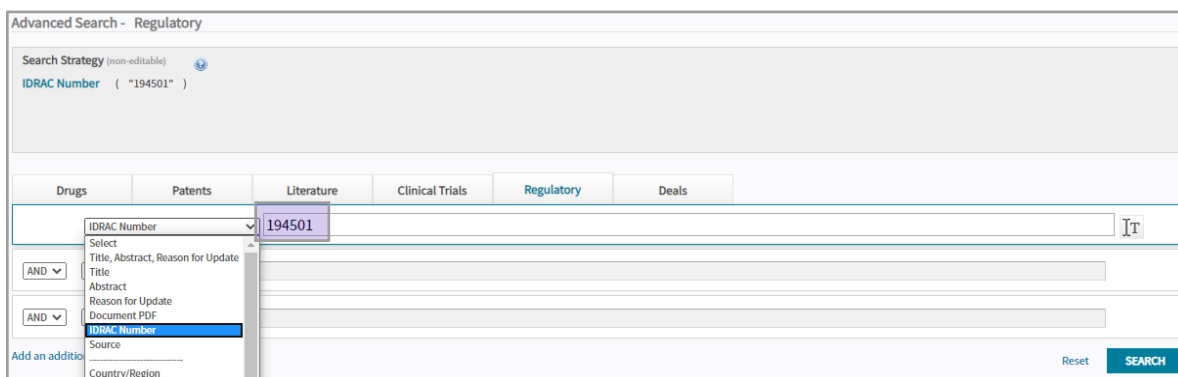

2. The document with the appropriate IDRAC number assigned will appear at the top of the results list. The IDRAC number is mentioned at the beginning of the document title. Other documents might also be listed, as IDRAC numbers are cited in related documents and reports.
