## Cortellis Generics Intelligence

Learn how to find the Paragraph IV Challenge Commentaries in Cortellis Generics Intelligence. The Newport Research Team monitors and collects information on Paragraph IV Patent Challenges and updates the content daily.

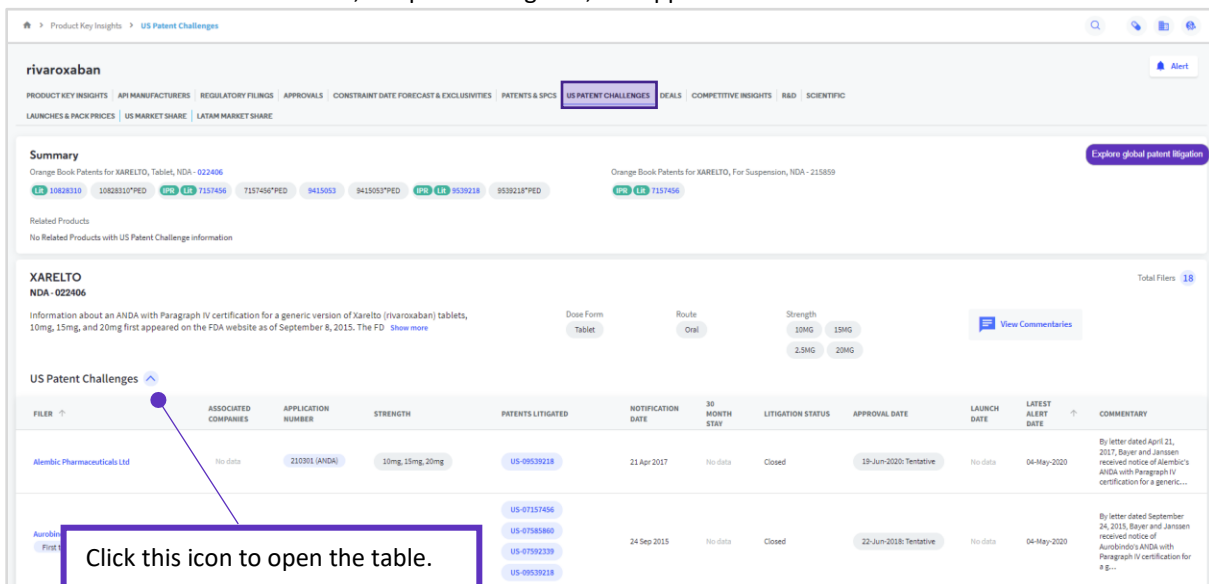

### Example

Find the US Patent Challenge commentary for rivaroxaban.

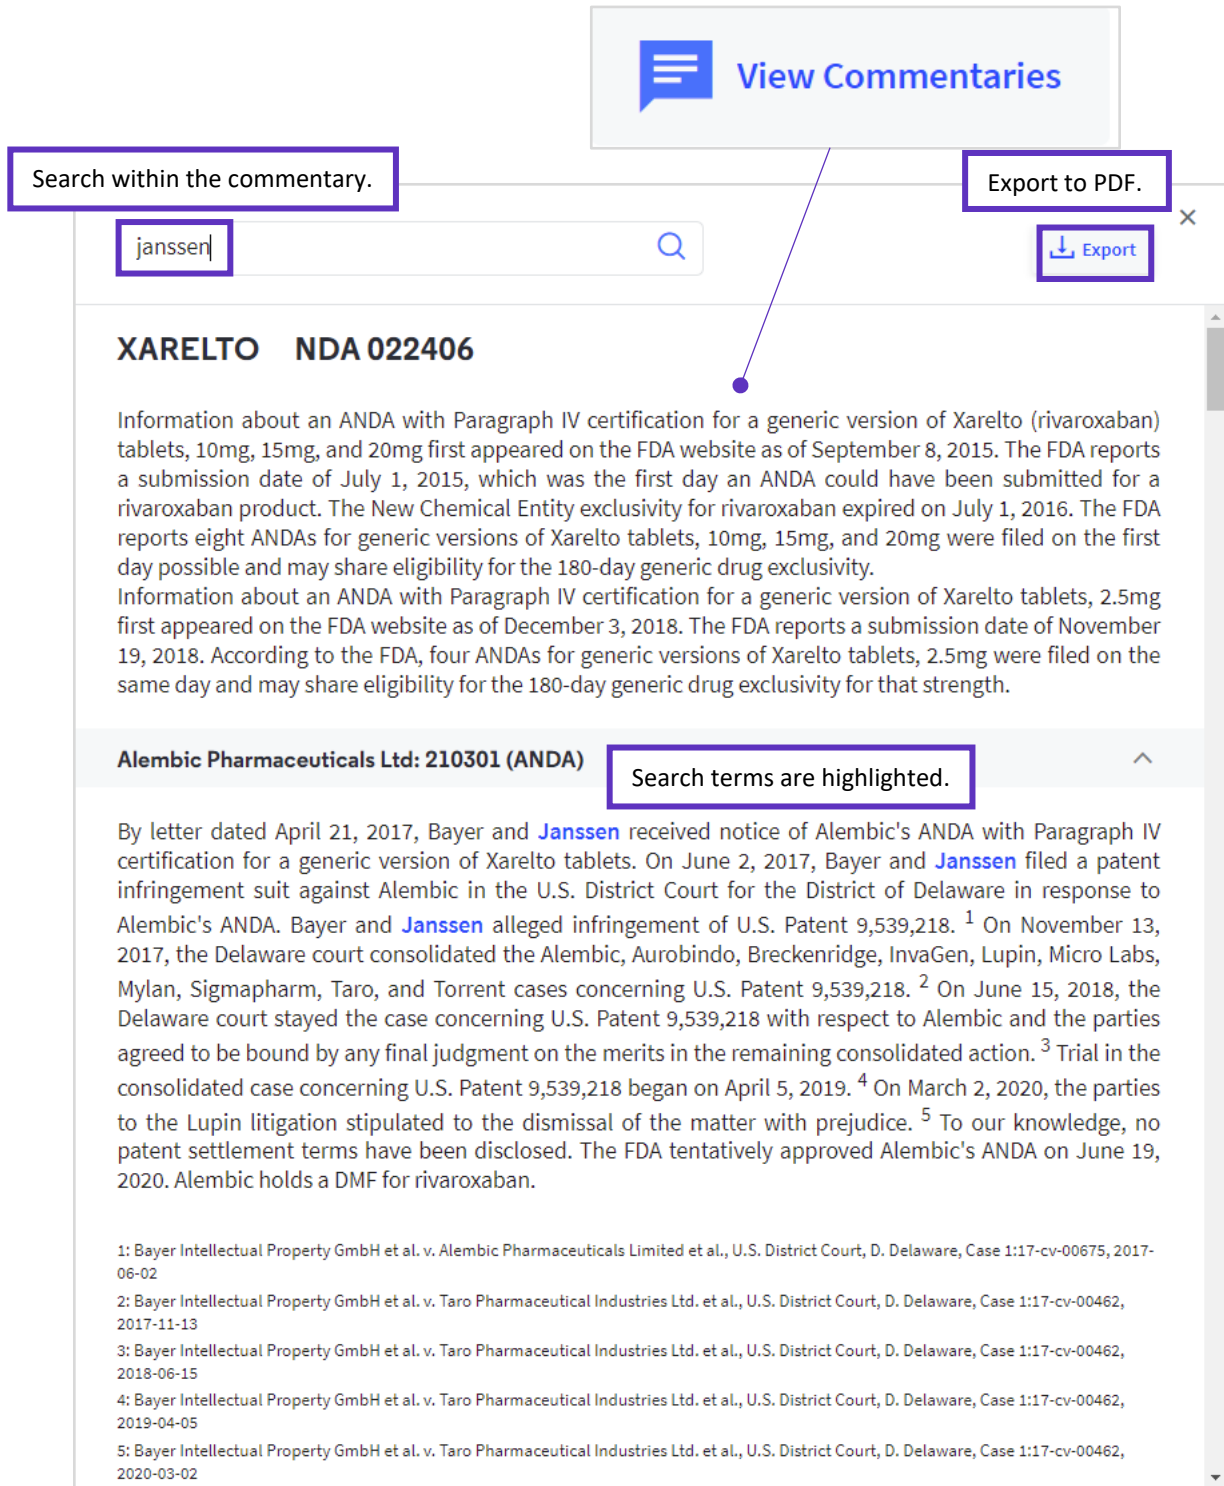

1. Use the **Quick Search** tool to find the rivaroxaban record.

2. In the product record click the **US Patent Challenges** Tab. The streamlined design allows you to open the table and view data on the Filters, the patents litigated, the approval date and more.

- Click the **View Commentaries** button to open a pop up of an exportable PIV Patent Challenge Commentary.

The screenshot shows a 'View Commentaries' pop-up window. At the top, there is a search bar with the text 'janssen' and a magnifying glass icon. To the right of the search bar is an 'Export to PDF' button with a download icon and the word 'Export'. Below the search bar, the title 'XARELTO NDA 022406' is displayed. The main content area contains two paragraphs of text. The first paragraph discusses an ANDA with Paragraph IV certification for a generic version of Xarelto (rivaroxaban) tablets, 10mg, 15mg, and 20mg, first appearing on the FDA website as of September 8, 2015. The second paragraph discusses an ANDA with Paragraph IV certification for a generic version of Xarelto tablets, 2.5mg, first appearing on the FDA website as of December 3, 2018. Below the text, there is a section header 'Alembic Pharmaceuticals Ltd: 210301 (ANDA)' and a note 'Search terms are highlighted.' The text in this section includes the word 'Janssen' in blue. At the bottom, there are five footnotes providing case references.
