

Third Party Terms

These additional terms apply to third party providers' data and/or software and take priority over all other terms of the agreement.

Derwent Innovation

For the Corporate Tree Hierarchy Data Content set only:

(a) 1790 ANALYTICS STANDARD DISCLAIMER. The assignee thesaurus data is provided by 1790 Analytics to help persons and organizations to analyze the intellectual property portfolios of the covered patenting organizations. Due to the many complexities in processing data from a variety of patent offices including, but not limited to, reconciling different assignee name formats, tracking mergers and acquisitions, and reassigning patents, 1790 Analytics does not warrant the accuracy, completeness, merchantability, or fitness of the data for any particular purpose. 1790 Analytics shall not be liable for any loss or injury caused in whole or part by the use of this data, including but not limited to compiling, interpreting, reporting, or analyzing the performance of the organizations whose patent data is approximated herein.

(b) Assignee thesaurus data is copyrighted by 1790 Analytics and decompiling, reverse engineering or downloading of the Assignee thesaurus is expressly prohibited.
