Interactive element does not meet enhanced size	Open	Deferred	N/A		<p>2.5.5 Target Size (Enhanced) AAA</p> <p>We are working to achieve WCAG 2.2 A and AA conformance in our products. We appreciate knowing about AAA issues, and are documenting them when they are submitted, however they are not actively being prioritized or planned to be worked on in our current roadmap. If any particular AAA issue is presenting significant barriers to users, it would be helpful to know so we can consider in our roadmap plans.</p>
