Filing for Patents and Utility Models

Applications may be made, in Kazakh or Russian. The preliminary patent is issued after formal examination. Substantive examination on a patent may be requested by the applicant or a third party within 3 years from the filing date of the application (or 5 years if the provisional patent is extended).

The application is published after 18 months from the date of filing, or the earliest priority date, if priority has been claimed and is listed in the patent gazette. Early publication is available on request. Upon acceptance the grant is published and listed in the official gazette. Opposition may be filed at any time.
