

## Joel Haspel

SVP Corporate Strategy, Science Group

Joel's current responsibilities include enterprise and business strategy across the One Clarivate four industry segments, competitive intelligence and M&A. He brings extensive experience built over 32 years working with customers globally across industries, with 13 of those years focused on life sciences and healthcare. Joel has a passion for the use of digital technologies by medical professionals and patients and serves on the board of two innovative digital health companies, FollowApp Care and Lifelight.
