# Jobs Board

[www.researchresearch.com/jobs](http://www.researchresearch.com/jobs)

## 40,000+ views each year

Our jobs board is viewed by more than 4,000 research job seekers every month, plus over 8,000 weekly jobs email subscribers.

## Targeted audience

We showcase only research-related roles: from policy, management, support and administration, to studentships, expert committees, science-based and technical roles.

## Same-day uploads

Tight turn around on your deadline? We provide same-day listing: any role that reaches us before 4.30pm can be online before the close of business the same day.

## Updates in minutes

Adjustments to a job description? New information that needs to be included? Changes can be live in minutes, keeping your listings accurate at all times.

## Unlimited jobs for a year

With a Standard or Featured annual package, you can place as many advertisements as you want over 12 months for a one-off cost.

# Online banners

[www.researchprofessional.com](http://www.researchprofessional.com)

## Focused audience

96% of UK universities subscribe to **\*Research Professional**. This provides the perfect platform to showcase your research vacancies, meetings and opportunities.

## Over 3.3 million page views...

...from our 278,000+ individual users logging on daily to find the latest funding opportunities and news updates tailored to their research interests.

## Bespoke banners in three days

On request, our in-house team will create artwork tailored to your brand, including your images, colours and logo, and have your banner online in as few as three working days.

## Global research subscribers

With active subscribers across five continents, and options for territorial targeting, your ads will be sure to reach the best and most relevant applicants across the globe.

# Email adverts

## 150,000+ individual emails sent each week

With just one of our 10 weekly email alerts you can reach more than 60,000 individual researchers and academics.

## Select the perfect audience for your advert

From news to job vacancies, from policy to funding, our range of email publications, allows you to choose the perfect context for the audience you need to reach.

**Fast turn around**  
Need to reach a large audience fast? With email advert slots available daily, talk to our team to find out how soon they can schedule your advertisement.

## Trackable statistics on request

At the end of a campaign we can provide you with performance statistics, including click rates by referral, location and date, through bitly link management.

# Research online publications

## Research Fortnight and Research Europe

**Decades of publishing experience**

Research Fortnight has led the field in research and policy news in the UK for over twenty years. Together with its sister publication, Research Europe, our digital flipbooks are read in research institutions around the world.

**Select the space that suits you**

From a simple quarter-page advertisement of 150 words, to an eye catching double-page spread just for your campaign, you can choose your ideal space in our digital flipbooks to meet your advertising needs.

**Full-colour artwork designed to your brief**

Want to make use of a flipbook slot but have no artwork prepared? Our in-house team will create the perfect artwork for you. Tailored to your campaign, simply send us the content you want included and we will do the rest!

**Connect with readers in under a week**

No need to wait weeks for your campaign to come to life – all artwork delivered to us by close of business on Friday is guaranteed to be in front of research leaders in universities around the world by the following Thursday.
