

## Vashe Kanesarajah

Vice President, Corporate Strategy, IP

Vashe leads both the Strategy and Consulting team for the Clarivate IP division. He oversees strategic planning, and works closely with the business to drive alignment and focus on the divisions strategic priorities. He also focuses on market and business development, and leads key initiatives focused on long-term growth, including Artificial Intelligence related programs.

With over 18 years of experience in Intellectual Property (IP), Vashe has worked with government agencies, law firms, and corporations across various industries globally. He holds a Master's in Intellectual Property Management from the University of London and a Bachelor's degree in Mechanical Engineering.
