# RWD in Clinical Trial Sites

## Cortellis Clinical Trials Intelligence

This guide will help you evaluate clinical trial sites based on their experience, availability, number of beds and practitioners.

Example: Find clinical trial sites in Massachusetts (USA) with experience treating B-cell lymphoma and the number of beds and practitioners working on site.

1. Click 'Clinical Trial Sites' from the homepage in Cortellis.

2. Click 'Filters' and look up 'B-cell lymphoma' in the hierarchical tree under 'Conditions'. Then filter by 'Massachusetts' under State/Province/County.

3. Click site name of interest to read more details.

4. The first table in 'Sites details' helps you evaluate site's experience and availability as it provides the number of studies ran for the condition of interest and the number of ongoing trials.
