

Accelerate market access with pharmacist validated AI-powered intelligence

DRG Fingertip connects payer policy, formulary, enrolled lives, and provider intelligence into one intuitive platform—so market access teams can see the full picture, anticipate restrictions, and seize opportunities faster.

Gold-standard data, backed by clinical expertise

Built and validated by pharmacy experts for unmatched data accuracy across the U.S. healthcare ecosystem, and powered by AI.

A single platform for market access intelligence

Access insights and analytics all in one place designed to surface what matters most.

Intelligence tailored to your workflow

Insights aligned to your brand's objectives — customizable by indication, benefit type, geography, or your team's internal taxonomy.

DRG Fingertip: Your Essential Partner in Market Access

From coverage clarity to market context, Fingertip is the industry's most accurate and trusted source for US market access intelligence

Fingertip foundations products

Provide the most accurate pharmacist-validated market access intelligence, including coverage, restrictions, source transparency, and policy change tracking — arming market access and commercial teams with actionable formulary and medical coverage and policy data.
