

Jonathan Adams

Chief Scientist, Institute for Scientific Information

Jonathan supports the development of bibliometric and analytical approaches at Clarivate. Previously, Jonathan was Director, ISI, Chief Scientist at Digital Science. He was also a science policy adviser to the UK Advisory Board for the Research Councils, working with ISI to introduce bibliometrics to UK research evaluation. Jonathan has published widely in scholarly journals and books, is a Visiting Professor at King's College London, Policy Institute and was awarded an Honorary D.Sc. by the University of Exeter for his work in higher education and research policy.
