Clarivate™ is a global leader in providing trusted information and insights to accelerate the pace of innovation
Purpose
We believe human ingenuity can transform the world and improve our future.

Vision
We will improve the way the world creates, protects and advances innovation.

Mission
We are a trusted, indispensable partner to innovators everywhere, delivering critical data, information, workflow solutions and deep domain expertise.

Values

Aim for greatness
We challenge the status quo, pursuing continuous performance improvements, and aiming for greatness and customer delight in all we do.

Value every voice
We work together in respectful partnership with our colleagues and customers which is our evergreen source of sustainability and success. The best results come from a diverse, collaborative and inclusive environment.

Own your actions
We act with integrity and are accountable to ourselves, our colleagues, our customers and our communities.
Clarivate was formed from the sale of the IP & Science business of Thomson Reuters to Onex and Baring Private Equity Asia on 3 October 2016.

The company merged with Churchill Capital Corp on 13 May 2019 and is now trading as a public company on the New York Stock Exchange under the stock symbol NYSE:CLVT.

1864
- Zoological Record founded

Sustainability sits at the heart of our business strategy.

We are committed to ensuring integration throughout our value chain in helping to advance a more sustainable and healthier world. This includes acting with care, operating ethically and efficiently, and partnering with others to accelerate progress and innovation in creating the world we all want today, and for future generations. Our shared purpose guides every decision we make in order to improve social, economic and environmental issues worldwide.

Recognizing that sustainability and ESG are a modern-day business imperative, and critical to the Company’s future success, we aspire to become a recognized leader in sustainability, to be listed on Dow Jones Sustainability Index and become carbon neutral by 2024.

**Environment**

Operating eco-efficiently with care for the planet and natural resources.

**Social**

Building a diverse and inclusive culture of belonging where all colleagues can thrive and grow, and engaging with impact in building strong communities and partnerships.

**Governance**

Maintaining the highest level of trust, transparency and ethics in all we do.
