Watching Services

**Trademark Watch**
Safeguard your valuable brand from potential infringement with expert, international trademark watching for both word and design marks. Timely reports give you the information you need to act quickly against marks that might be similar to yours. Choose your coverage: worldwide, regional, or country.

**Web Watch**
Receive actionable reports to help you discover and address issues related to online brand infringement. Web Watch identifies instances of potential brand misuse and abuse, including derogatory remarks and unauthorized use.

**International Business Name Watch**
Protect your business name and trademarks from potential infringement with monthly reports on business names in use across 212 countries.

**Domain Name Watch**
Identify "copycat" domains that could interfere with your trademark, brand name or domain name. Expand your coverage to include country-specific domains (ccTLDs) and misspelled variants of your domain (domain typosquatting).

**Mobile App Watch**
Protect your trademark in today’s fast-paced, unregulated mobile application environment. Mobile App Watch monitors more than 4 million Android and iOS apps to spot potentially conflicting names.
